

un- prefix (adjective)

Week 6 - Monday

Lesson 26

Objective

Learn and practise un- prefix.

Revise

Recall all GPCs learned so far using flashcards.

Recall Phase 5 Common Exception Words **today house mouse hour because Mr Mrs Ms where should could would move use want.**

- Teach prefix **un-** meaning 'not', for example '**unclean**' meaning not clean.

Share the following words as examples and ask the children what they have in common; **unsafe unkind unwell.**

They are all adjectives with the prefix **un-** added to them, and so the meaning is reversed / opposite.

- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present the whole words on the IWB or flashcards **unkind unfair** to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the words (option to have a different coloured sound button for under the vowel).
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Make a phoneme frame on paper or a whiteboard / IWB to show the children how to build a word from normal to opposite using the **un-** prefix.
- Build the word **unwell** with letters. Model writing the word.

Blending for Reading - Read a Sentence

Display sentences on whiteboard or IWB of different emotions and read sentences (optional to display images for visual aid). Children have to read in their head, not aloud, then teacher asks for children to support them reading as they point to each word in the sentence.

It is unkind to push in line.

Segmenting for Spelling

Teacher shares words using prefix **un-** learnt this lesson, and children try to spell the words.
