Blending for Reading - Take off, Touch down

Children are asked to sit in a circle and teacher gives all children a card containing an 'or' word. Children must not show card. In turn each child stands up and reads aloud the card. They can take off (reach card high in the air like a rocket) and touch down by sitting down again.

Encourage the child to segment the word first (e.g. **f-or-k**) then blend (**fork**). After correct blending ask child to show the word card and all the children say "**fork**". Teacher praises and children can take off and touch down. Repeat til all children in circle have a turn.
