

Two Syllable Words

Week 6 - Monday

Objective

Learn and practise two syllable words containing adjacent consonants.

Revise

Recall all GPCs learned so far using flashcards.

Revise Alphabet Song.

Teach 10mins

- **Hear Phonemes** - Share 3 images or objects with two syllables. ([shampoo](#) [giftbox](#) [helpdesk](#)).
- **Teach Syllables** – Explain to the children that a syllable is a unit of pronunciation having a single, unbroken vowel sound in it. Model clapping when a syllable is heard with words [shampoo](#) (x2 claps) and [giftbox](#) (x2 claps).
- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present the whole words on the IWB or flashcards [shampoo](#) [giftbox](#) [helpdesk](#) to read. Model to the children where the vowel is in the word and underline it. Then draw a line to separate the two words and read aloud the second word. Children then blend to read the first syllable with a slight pause followed by second syllable. Then model how to merge both words together fluently.
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Use a phoneme frame to show the children how to build the word [handstand](#) with letters. Model writing the word.
- **Alien Word of the Day** - [breshbop](#).
- **Common Exception Words** - [do little](#).
- **High Frequency Word** - [children](#).

Clap Syllables

Teacher says a word that contains either one or two syllables so the children can hear. Begin by modelling [hand](#) x1 clap, [desk](#) x1 clap, then [handstand](#) x2 claps, [desktop](#) x 2 claps. Invite the children to clap with you.

Continue with other examples of one and two syllable words where the teacher does not clap, only the children.

[sandpit](#) [pondweed](#) [helper](#) [shampoo](#)
