Week 6 – Wednesday

Objective

Revise

Recall **s a t p i n m d g o c k c k e u r h b f f l l** using flashcards.
Recall Common Exception Words **as I is no go to into the put his has of**.

Teach 10mins

- **Hear Phonemes** - Share 3 images or objects ending with phoneme **ss** (kiss less miss) say aloud, emphasis on final letters. What can the children hear?
- **Teach grapheme and rhyming caption** '**ss**' miss the kiss.
Explain that it is two letters making one sound and that we call this a digraph. The digraph '**ss**' does not come at the beginning of words, and instead goes on the end of words.
- **Lowercase formation caption:** Around, across and around again (x2).
- **Formation of grapheme** - Trace **ss** in the air.
- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present the whole words on the IWB or flashcards **mess boss less** to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the words. Place a large sound button line under digraph '**ss**' emphasising two letters making one sound (option to have a different coloured sound button for under the vowel).
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Use a phoneme frame to show the children how to build the word **kiss** with letters. Model writing the word.
- **Alien Word of the Day** - **riss**.
