Revise Vowel song.

Teach 10mins

- Explain to children that they have learned the 5 vowels that we need in the words we read and write. Can children remember the vowel we looked at in the previous lesson? This lesson we are looking at short vowel **'o'**.
- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present children with a CVC word (e.g. **pot dog top**) on the IWB or flashcards. Using the symbol for decoding, remind the children to look for a vowel in the word; which vowel is it? Now that the children have spotted the short vowel **'o'**, model pressing the sound buttons to blend to read (option to have a different coloured sound button for under the vowel).
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Use a phoneme frame to show the children how to build the word **dog** with letters. Remind children to listen for a vowel sound. Model writing the word.
- **Alien Word of the Day** - **dop**.
- **Common Exception Word** - **of**.
Explain that **'f'** can make a /v/ sound.
- **High Frequency Words** - **got not off**.

Practise 10mins

Blending for Reading - Hands up, Pair up

Children are all given a word card containing a CVC word revised this week. Children walk around to clapping or music, then stop and hands up, pair up. They read each others cards then trade and the process repeats itself a few times. Teacher and TAs must try and hear children reading and correct misconceptions or errors.
