Teach 10mins

- Explain to children that they have learned the 5 vowels that we need in the words we read and write. Can children remember the vowel we looked at in the previous lesson? This lesson we are looking at short vowel **'i'**.
- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present children with a CVC word (e.g. **pin rip sit**) on the IWB or flashcards. Using the symbol for decoding, remind the children to look for a vowel in the word; which vowel is it? Now that the children have spotted the short vowel **'i'**, model pressing the sound buttons to blend to read (option to have a different coloured sound button for under the vowel).
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Use a phoneme frame to show the children how to build the word **tip** with letters. Remind children to listen for a vowel sound. Model writing the word.
- **Alien Word of the Day** - **nin**.
- **Common Exception Words** - **is his**.
- **High Frequency Words** - **it in him big if**.

Blending for Reading - Lucky Dip
