Blending for Reading - Hands up, Pair up

Children are all given a card containing an 'a' (/ai/) word. Children walk around to clapping or music, then stop and hands up, pair up. Children read each others cards then trade and the process repeats itself a few times. Teacher and TAs must try and hear children reading and correct misconceptions or errors.

Segmenting for Spelling - Best Guess

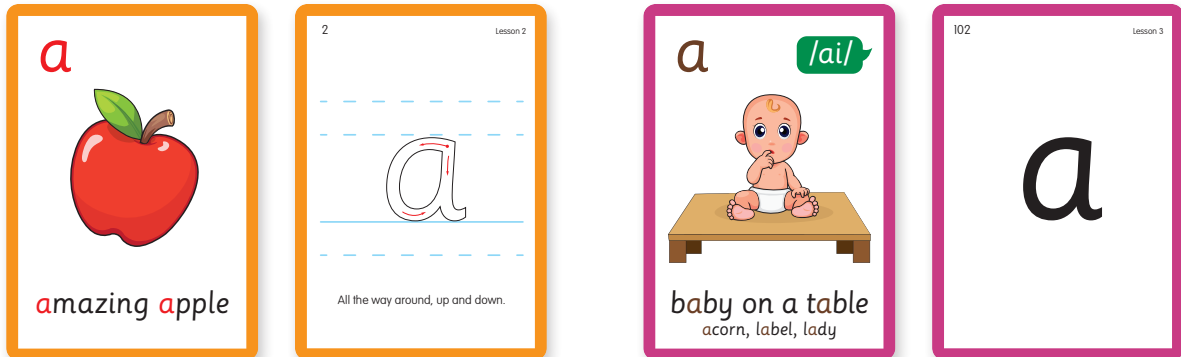

Teacher separates board into separate /ai/ columns, 'ai' 'ay' 'a-e' and 'a'. Teacher reads 4 or 6 words (depending on time) and children decide which column the words belong in. Children place/ write the word on the chosen grapheme column and teacher corrects as needed.

After modelling a couple times allow the children to spell out words on their own boards or paper, ensuring they apply the correct spelling.
