

Syllables

Week 13 - Monday

Objective

Learn and practise syllables.

Revise

Recall all GPCs learned so far using flashcards.
Revise Phase 2 & 3 Common Exception Words (tricky words):
as I is no go to into the put has his of pull full.

- **Hear Syllables** - Share 3 images or objects with two syllables.
E.g. bunkbed penlid armchair.
- **Teach Syllables** - Explain to the children that a syllable is a unit of pronunciation having a single, unbroken vowel sound in it. Model clapping when a syllable is heard; bunkbed (x2 claps) penlid (x2 claps) armchair (x2 claps).
- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present the whole words on the IWB or flashcards bunkbed penlid to read. Model to the children where the vowel is in the word and underline it. Then draw a line to separate the two words and read aloud the second word. Children then blend to read the first syllable with a slight pause followed by second syllable. Then model merging both words together fluently.
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Use a phoneme frame to show the children how to build the word armchair with letters. Ensure the children understand that air is a trigraph and goes together in one box on the frame. Model writing the word.

Clap Syllables

Teacher says a word that contains either one or two syllables so the children can hear. Begin by modelling bed (x1 clap), brush (x1 clap), then bedroom (x2 claps), toothbrush (x2 claps).

Invite the children to clap with you.

Continue with other examples of one and two syllable words where the teacher does not clap, only the children.

End of Session

Read 'Hug' by Jez Alborough.

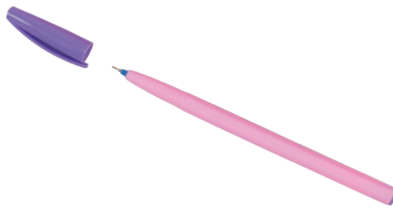

Create a worksheet with pictures and words, and have children say what they see and count the syllables.

E.g. bat = x1 syllable, so children write the number 1 on the worksheet.
