

Syllables

Week 13 - Tuesday

Objective

Learn and practise syllables.

Revise

Recall all GPCs learned so far using flashcards.

Revise Phase 3 Common Exception Words (tricky words) **push they me we be he she my by looked you are there here were all sure.**

- **Hear Syllables** - Share 3 images or objects with two syllables. E.g. **hairbrush singer powder.**
- **Teach Syllables** - Explain to the children that a syllable is a unit of pronunciation having a single, unbroken vowel sound in it. Model clapping when a syllable is heard; **hairbrush** (x2 claps) **powder** (x2 claps) **singer** (x2 claps).
- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present the whole words on the IWB or flashcards **hairbrush singer** to read. Model to the children where the vowel is in the word and underline it. Then draw a line to separate the two words and read aloud the second word. Children then blend to read the first syllable with a slight pause followed by second syllable. Then model merging both words together fluently.
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Use a phoneme frame to show the children how to build the word **powder** with letters. Model writing the word.

End of Session

Read 'Pants' by Giles Andreae.

Create a worksheet with pictures and words, and have children say what they see and count the syllables.

E.g. **bunkbed** = 2 syllables, so children write the number 2 on the worksheet.
