Blending for Reading - Lucky Dip

Teacher writes any 'oy' word on the board (or piece of paper) and hides from children.

Each child picks out (or is given by teacher) a card with a word from the lesson containing 'oy' and reads aloud, continuing until each child gets a card.

At the end the teacher reveals the hidden word, and the child that has the matching word to the teacher's secret word shouts lucky dip and wins!

Segmenting for Spelling - Quickwrite

Teacher reads out an 'oy' word (containing the target grapheme) and the children segment the word by counting the phonemes on their fingers.

At an early level, scaffold by writing the first letters on the whiteboard and ask children to write the last letters on their own.
