Teach 10mins

Blending for Reading - Yes or No

Teacher writes a sentence on the board.

Children have to read in their head, not aloud, then teacher asks for children to support them reading as they point to each word in the sentence.

Children can respond to the sentence by writing yes or no on whiteboards or stick thumbs up or down.

Can a crab stop a bus?

Can a frog do spells?

Can you step on a crab?
