

Paint in the Rain

On a sunny day, one might paint in the garden.
But, what if it rains? Should you paint in the rain?

Paint in the Rain

What do you paint when you paint in the rain?
Don't you think that the rain might be a pain?

Paint in the Rain

What will it take to paint in the rain?
Get your paint brushes and paper out.
Set up your painting table.

Paint in the Rain

Let's say, you try to paint a train. The rain comes
down. The drizzle washes your paper out.

Paint in the Rain

You can wait it out. Or, take aim at the rain.
Spray the paint through the rain. This is fun.
You can play while you paint in the rain!

Paint in the Rain

Do not delay. Paint and watch as the train races
through the rain. Now, it looks like a snake.

Paint in the Rain

Make it a game as you paint in the rain! You will
be amazed!
