“Good idea, I’m right behind you,” said Pat.
“Why don’t we go for a swim,” said Mat.
They climbed back down the hill and ran to
the beach.

A Bright Light

(ie i-e i y)

Pat and Mat were on a hunt at the seaside. A treasure hunt, at the seaside. The sun was shining bright.

“I really like that we found this, but do you mind if we get out of here?” said Mat. The boys felt a chill in the air. The white light started to turn green.

“A magical dinosaur bone?” said Mat. “Or, it might be from an old pirate shipwreck,” replied Pat.

Way up high in the sand dunes, Mat spied a bright, white light glinting in the sunshine.

“What is that?” cried Pat. “Let’s take a closer look and see what we can find,” said Mat. The boys climbed up the sand dunes.

Tied to a shell, with a piece of old rope, was a strange, crystal bone. The crystal bone shined white light all around them.
