

A Bright Light

Pat and Mat were on a hunt at the seaside.
A treasure hunt, at the seaside. The sun was
shining bright.

A Bright Light

Way up high in the sand dunes, Mat spied a
bright, white light glinting in the sunshine.

A Bright Light

“What is that?” cried Pat. “Let’s take a closer
look and see what we can find,” said Mat.
The boys climbed up the sand dunes.

A Bright Light

Tied to a shell, with a piece of old rope, was
a strange, crystal bone. The crystal bone shined
white light all around them.

A Bright Light

“A magical dinosaur bone?” said Mat. “Or, it might
be from an old pirate shipwreck,” replied Pat.

A Bright Light

“I really like that we found this, but do you
mind if we get out of here?” said Mat. The boys
felt a chill in the air. The white light started to
turn green.

A Bright Light

“Good idea, I’m right behind you,” said Pat.
“Why don’t we go for a swim,” said Mat.
They climbed back down the hill and ran to
the beach.
