

The New Unicorn

I'm Cupid, the unicorn. I live in the village.
It's a happy and peaceful place here.
But, one day something magical happened
here. Let me tell **you** my story.

The New Unicorn

One day, I was trotting along, quite happily.
All of a sudden, there in front of me was a
beautiful new statue. The statue was a very
cute unicorn.

The New Unicorn

The **statue** appeared from nowhere. I **knew**
it was not there yesterday. There was no one
else around. Just me and the **statue**.
A **beautiful statue** of a **beautiful unicorn**.

The New Unicorn

Some strange music was coming out of the
statue. The **tune** was sweet and magical.
The most **beautiful music** in the **universe**.

The New Unicorn

"Please **rescue** me," said the **statue**. I jumped
with fright. "How can I **rescue you**? Who are
you?" I said.

The New Unicorn

"An evil witch **pursued** me and cast a spell on
me," said the **statue**. "Hurry, **you** can **rescue**
me by bringing me some **dew** from the forest
to drink. This will save me," she said.

The New Unicorn

The New Unicorn

I took the **cue**. I found the **dew**. I saved the
statue. And I fell in love with the **new unicorn**.
The **beautiful, new unicorn**.
