

Jet Set, Go!

By Anna Kirschberg
Illustrated by James Keiaho

Book Summary

This title looks at a space-themed story about a character called Tab the cat, and her friends Pat and Mat. They travel into space on a rocket jet. What will Tab get up to while in outer space? Tab puts on a jet pack, what will happen next? In the book, the reader is introduced to new phonics sounds. Detailed and vibrant illustrations depict and help the text explain some basic story information about each page.

This book follows the Beanstalk Books (Letters & Sounds) Phase 3 progression and focuses on learning the next 25 graphemes that are taught in this sequence.

Skills and Strategies

This book builds on decodable reading strategies for high/low readers. The book has been written using a strictly controlled vocabulary. Text uses only **decodable regular words** (according to the week by week progression of Letters & Sounds) along with **'tricky words'** or **'Common Exception Words'** (CEWs). Common Exception Words are frequently used words that are not decodable at this phase.

Introducing the Text

Open up the discussion about the front cover illustration and make connections with the children's prior knowledge. Prompt discussions by using the vocabulary in the book.

What does the title of the story tell you about the front cover image?

Describe the characters and imagery on the front cover. Where is the setting?

Read the title and the name of the author to the group. Read aloud any common exception words from the front inner cover.

Reading the Text

Page 2 – Explain where to begin reading, and ask the student to point to each word as you read aloud together. Pat, Mat and Tab are about to hop on a jet. Where do you think they are going? Sound out the letter sounds as you go, for example: get = /g/e/t/; and jet = /j/e/t/.

Page 3 – Tab jets off into space and leaves Pat and Mat behind.

Page 4 – In this illustration, describe what Tab is doing.

Page 5 – On this page, describe the scene and what Tab is doing.

Pages 6 and 7 – Here, the reader will encounter the new letter sounds in the words 'jet' and 'will'. Sound out the letter sounds as you go.

Page 8 – The illustration on the final page shows the jet exploding and Tab flying back to the kids with a jet pack.

Students can now read the book independently. At the end of the story, go over the text and illustrations again and discuss what is happening on each page.

Revisiting the Text

As a group, refer back to the table in the front inner cover and identify the words in the story that use the new graphemes being taught in Phase 3.

To start with, identify as many new consonant graphemes as you can in the words in the text. For example, 'j' in the word 'jet' and 'jog'.

Look at the use of punctuation in the story. Can you find the pages with a question mark or exclamation mark in the text?
