

Fix It Sam

By Anna Kirschberg
Illustrated by James Keiaho

Book Summary

This title looks at a space-themed story about the characters Pip and Sam who are in a rocket, being chased by Zizz and Zazz. The rocket is hit. Can Sam fix it? In the book, the reader is introduced to new phonics sounds. Detailed and vibrant illustrations depict and help the text explain some basic story information about each page.

This book follows the Beanstalk Books (Letters & Sounds) Phase 3 progression and focuses on learning the next 25 graphemes that are taught in this sequence.

Skills and Strategies

This book builds on decodable reading strategies for high/low readers. The book has been written using a strictly controlled vocabulary. Text uses only **decodable regular words** (according to the week by week progression of Letters & Sounds) along with **'tricky words'** or **'Common Exception Words'** (CEWs). Common Exception Words are frequently used words that are not decodable at this phase.

Phase 3 - Phonics

This book also supports other key reading strategies:

- Recognising the relationship between words and illustrations;
- Pointing one-to-one at each word to ensure an appropriate match;
- Vocabulary and word study.

This book also supports key comprehension strategies:

- Predicting the meanings of new or unfamiliar words from the context of the story;
- Recognising the relationship between letters and their sounds;
- Summarising the main ideas of the story.

Introducing the Text

Open up the discussion about the front cover illustration and make connections with the children's prior knowledge. Prompt discussions by using the vocabulary in the book.

What does the title of the story tell you about the front cover image?

Describe the characters and imagery on the front cover. Where is the setting?

Read the title and the name of the author to the group. Read aloud any common exception words from the front inner cover.

Reading the Text

Pages 2 and 3 – Explain where to begin reading, and ask the student to point to each word as you read aloud together. Pip and Sam in their rocket ship are being chased by robot aliens, Zizz and Zazz. Sound out the letter sounds as you go, for example: zap = /z/a/p/; and zz = /Z/i/zz/.

Pages 4 and 5 – In this illustration, the back of the rocket ship is hit by Zizz and Zazz.

Pages 6 and 7 – Here, the reader will encounter the new letter sound 'x' in the words 'fix' and 'box'. Sound out the letter sounds as you go.

Page 8 – The illustration on the final page shows the characters happy as their rocket ship has been fixed by Sam.

Students can now read the book independently. At the end of the story, go over the text and illustrations again and discuss what is happening on each page.

Revisiting the Text

As a group, refer back to the table in the front inner cover and identify the words in the story that use the new graphemes being taught in Phase 3.

To start with, identify as many new consonant graphemes as you can in the words in the text. For example, 'x' in the word 'fix' and 'box'; and 'z' in words like 'zap'.

Look at the use of punctuation in the story. Can you find the pages with a question mark or exclamation mark in the text?

Following Up

Use the BLM for this story, the students can learn more about the introduction of different types of letter sounds (phonics) being used in the text of the story.
