

Moon Rocks

Boom! Boom! “Run! Duck!” yells Sam.
“Wait up. Let us go back and see,” yells Ted.

Moon Rocks

The kids go back and peek into the pit.
The pit is deep. They see odd rocks.

Moon Rocks

The rocks boil and coil. Is it soil?
Is it oil?

Moon Rocks

The kids wait a bit. The rocks cool off.
The Moon rock looks good.

Moon Rocks

Ted looks up the rocks in his Moon book.
“Can we load this Moon rock back to the ship?”
yells Sam.

Moon Rocks

The kids pick up big bits of rock. They load it
into Moon boots, Moon coats and Moon packs.

Moon Rocks

“The Moon is such a hoot. But, let us get off the
Moon quick!” yell the kids. Zoom! Zoom!
