A Fort on Mars

Pip puts up the fort. Kip barks. A fort on Mars is born.

10 or ure

Pip needs to farm on Mars. But to begin with, she needs to set up a fort.

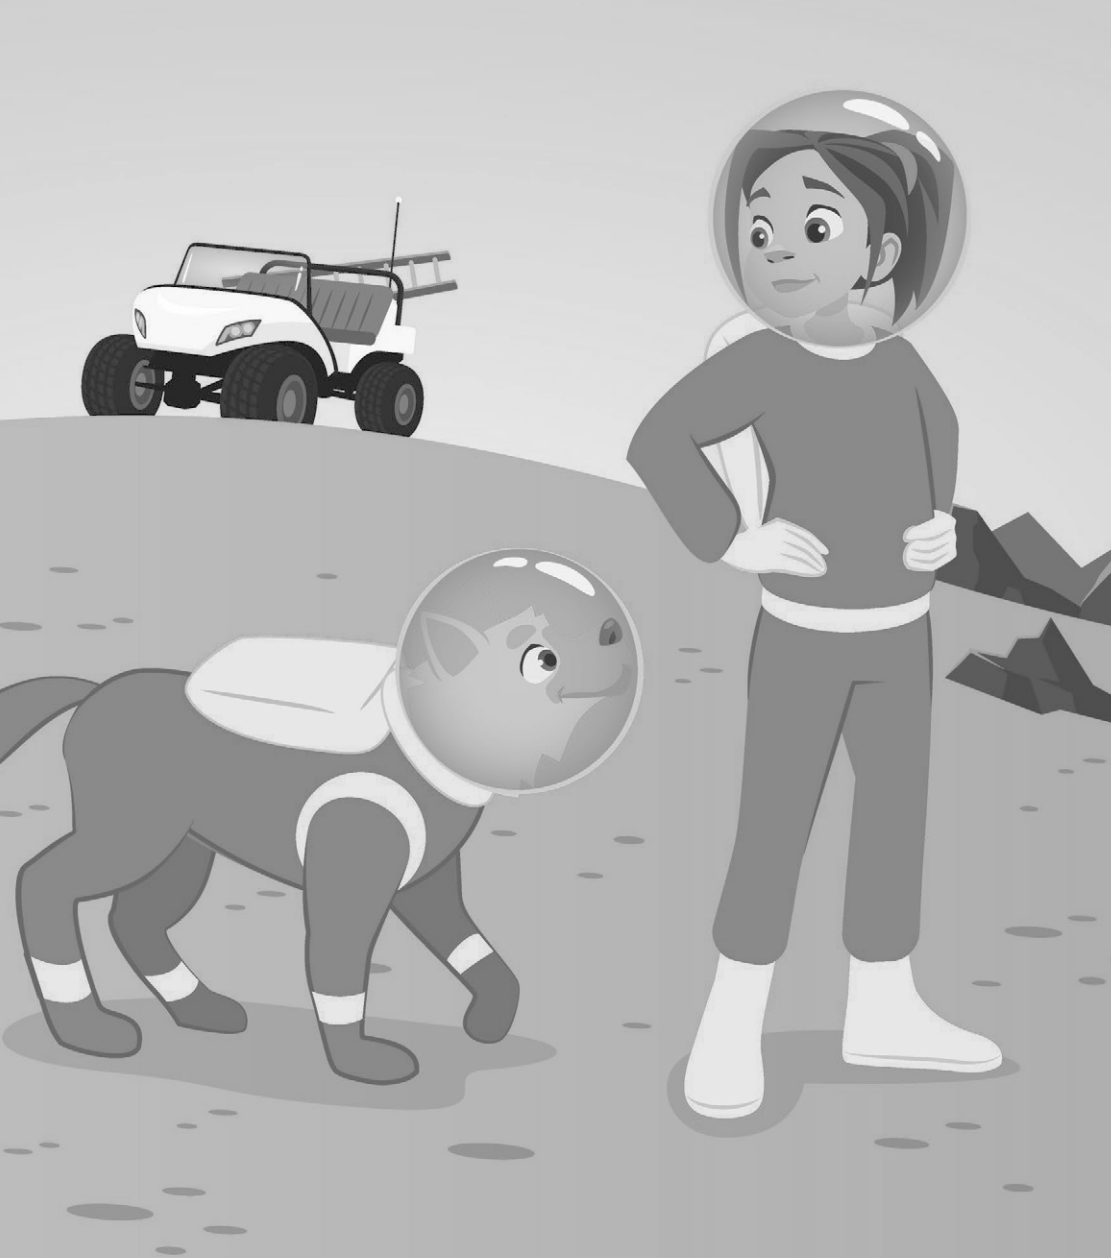

Under a rock, Kip sees cork and moss. "Cork and moss will be good. Get all of it!" yells Pip.

In the buckets, there are bits of tin, wool and logs. This is all for the fort.

Kip and Pip get down off the jeep. This is a good hill to set up a fort.

“Pip, are you sure?” barks Kip.
Pip nods. Yes, Pip is sure.

Pip gets the ladder off the jeep.
Kip pulls the buckets down.
