

A Fort on Mars

Pip needs to farm on Mars. But to begin with,
she needs to set up a fort.

A Fort on Mars

Kip and Pip get down off the jeep.
This is a good hill to set up a fort.

A Fort on Mars

“Pip, are you sure?” barks Kip.
Pip nods. Yes, Pip is sure.

A Fort on Mars

Pip gets the ladder off the jeep.
Kip pulls the buckets down.

A Fort on Mars

In the buckets, there are bits of tin,
wool and logs. This is all for the fort.

A Fort on Mars

Under a rock, Kip sees cork and moss.
“Cork and moss will be good. Get all of it!”
yells Pip.

A Fort on Mars

Pip puts up the fort. Kip barks. A fort
on Mars is born.
