

The Red Queen

The lights go down on the ship. There is red fog in the air.

The Red Queen

The red queen sits and waits to meet Pat and Mat. She is a sight to see.

The Red Queen

Pat assures Mat that they need to get down off the ship.

The Red Queen

Tab hugs onto Mat tight. Pat opens the door.

The Red Queen

“How now, no fear,” sings the queen. “I am the red queen. Queen of Mars,” she sings.

The Red Queen

“Sing to me and I will let you go,” she sings. Pat and Mat hum. Tab purrs.

The Red Queen

“Is that all? I need a long song,” the queen sings. Can the kids sing? How will the kids get back on the ship?
