

The Nest

Deep in the woods, Pip and Sid camp in a tent.
The rain and hail hits the tent hard.

The Nest

The wind gusts all night long. A big oak has
fallen down in the wind.

The Nest

All of a sudden, Pip and Sid hear a soft
“Cheep, cheep.”

The Nest

“Quick, let us go and see,” said Pip. “There!
It is a nest,” yells Sid.

The Nest

In the nest, there is a chick. “Cheep, cheep,”
said the chick. The nest sinks deeper into the
mud.

The Nest

“This chick looks lost and sad. Let us help it,”
said Pip. “I think we can put the nest back up,
in that oak,” said Sid.

The Nest

Pip lifts the nest up. The chick cheeps the softest
of cheeps. “Thank you,” cheeps the chick.
