

Kip and the Stars

“Come here, Kip. Quick!” said Pip. “Look up high, can you see the stars?” said Pip. Pip points at the stars.

Kip and the Stars

Kip stops in his tracks. He looks up at the Moon and the stars. It puts him in a spin.

Kip and the Stars

Kip sniffs the air. He stamps his feet. He jumps up high. He claps.

Kip and the Stars

The fur on his tail stands up. It is clear that Kip likes the stars.

Kip and the Stars

He runs to the top of a steep hill to get a better look.

Kip and the Stars

Kip stands at the top of the hill, like a god. He starts to sing and howl to the Moon.

Kip and the Stars

The stars glint and wink back at him. Kip blinks and winks back at them. Kip and the stars.

Kip and the Stars

Kip and the Stars

Kip and the Stars
