“Well, it is a joy to be in this royal land. We do enjoy it,” said Pat. “So, can we be friends?” said Max. “Yes. We can,” says Pat.

Pat is the girl. Tab is the cat. Max is the royal boy. Tib is the royal bird. A girl, a cat, a royal boy, and a royal bird.

"In this land, my birth right has been royal. I can see now that I have a lot to learn," said Max.

Pat is cross. Tab is cross. "We will go now," said Pat. Tab nods and purrs. "Wait, come back!" said Max. "This will not do. Let us not argue," he said.

"Pat, my friend, I have an issue with this cat," said Max. "What now?" asks Pat. "The cat keeps annoying my bird," said Max. "On the other hand, I think the bird is annoying my cat," said Pat.

“This may be true,” said Max. “But, first, my bird is a royal bird. A blue parrot. Tib is like the king of the trees around here,” he said. “So, what you are saying is that Tib is better than Tab, because Tib is royal?” said Pat.

“Yes, this is true,” said Max, the royal boy. “And you can call me ‘Sir’ he said. “That, I will never do!” cried Pat.
