

Chilled to the Bone

By Anna Kirschberg

Illustrated by James Keiaho

Book Summary

This book looks at a simple and exciting story about Sam and Pip, who are hiking the snowy Andes. A snow storm is approaching. What happens next? Can they find some shelter? The text will introduce the reader to new and more complex vowel sounds. Detailed and vibrant illustrations depict and help the text explain some basic story information about each page.

This book follows the Beanstalk Books (Letters & Sounds) Phase 5 progression and focuses on teaching new vowel sounds and alternative pronunciations.

Introducing the Text

Open up the discussion about the front cover illustration and make connections with the children's prior knowledge. Prompt discussions by using the vocabulary in the book.

What can you see on the front cover image?

Describe the characters in the illustration.

What do you predict will happen in this story, based on the title?

Read the title and the name of the author to the group. Read aloud the featured common exception words from each phase, from the front inner cover.

Reading the Text

Pages 2 and 3 – Explain where to begin reading, and ask the student to point to each word as you read aloud together. The main characters in this story are Sam and Pip in the Andes mountains. What do the pair observe on these pages?

Pages 4 and 5 – On the next pages, the girls feel a chill and see dark clouds moving in the sky above.

Pages 6 and 7 – Next, the characters decide to seek shelter to wait for the snow storm to pass. They find a cave.

Page 8 – On the last page of the story, the girls wake to a sunny day and they can continue on their journey.

Children can now read the book independently.

At the end of the story, go over the text and illustrations again and discuss what is happening on each page.

Revisiting the Text

As a group, refer back to the table in the front inner cover and identify the words in the story that use the new vowel sounds being taught in Phase 5. Identify as many new vowel sounds as you can in words in the text. For example: 'o-e' in 'bone'. On which pages can you find the use of the 'u-e' vowel grapheme? Give word examples.

Revisit the common exception words in the text.

Notice the use of any different types of punctuation.

Can you find the pages that have speech marks in the text?
