“Then let’s keep walking. We must reach the Temple of the Sun, before the sun goes down,” said Mat.

The Temple of the Sun

Review

"Sam, quick, get over here!" yells Mat. Sam and Mat are hiking the Inca trail. They walk through the jungle together. It is hot and the sun beats down on them hard.

"What is the Temple of the Sun?" asks Mat. "The Temple of the Sun is the ancient Inca temple in Peru. The Temple of the Sun tells us about what life was like for the Inca," said Sam.

Mat points to the suns on the pot. "The Inca worshipped their sun god," said Mat. "I wonder if this pot comes from the Temple of the Sun," said Sam.

"What have you found?" said Sam. "A clay pot," said Mat. "This pot is missing some parts. But, look at the intricate patterns on it," whispers Sam. "I think it might be Incan," said Mat.

Mat gets out the travel book and starts to read from it. "The Incans made pottery out of clay. They baked it in the sun," read Mat.

"They built houses with stone and adobe, which is sun-baked clay. They grew crops such as corn, tomatoes, potatoes and cotton. They rode llamas too," said Sam.
