Book Summary

This book looks at an entertaining story about Pip and Sid at school. Pip loses her reading glasses. Can Sid help her find them? Detailed and vibrant illustrations depict and help the text explain some basic story information about each page.

Reading the Text

Pages 2 and 3 - As you start reading the book together, explain that this story is about friends, Sid and Pip, who are at school. Pip has lost her glasses and is worried because there is a math test soon.

Pages 4 and 5 – Sid offers to help Pip. They retrace Pip's steps that morning.

Pages 6 and 7 – Sid suggests to Pip that they go back to the classroom where she last used her reading glasses.

Page 8 – On the final page, Pip finds her glasses. How does Pip feel at the end of the story?

Children can now read the book independently.

At the end of the story, go over the text and illustrations again and discuss what is happening on each page.

Revisiting the Text

As a group, begin to discuss the use of suffixes for changing the meaning of words and some of the spelling rules that may be applied. Refer back to the table in the front inner cover. For example, the word 'book' changes to 'books' when the -s suffix is applied.

Review the affix word examples on the front inner cover and discuss their meanings, and how they relate to the text.
