“This sure is a pet party!” said Pip. “Pat, what were you thinking?” said Sid. “Not quite what I had planned!” giggles Pat. “Let’s get the cutest pets under control again before they destroy the place!” shouts Sam.

Review

"Tab, today we have some pet friends visiting us for a pet playdate," said Pat. "I hope you can behave nicely," she said. Tab nods politely. She purrs and waves her tail at Pat.

Kip digs a very deep hole in the flower garden. The hamster burrows himself into the hole and disappears out of sight.

Outside in the garden, it becomes pet pandemonium! The frog jumps up high onto a tree and clambers up to the top. The poodle tries to chase the frog. Next, Tab chases the poodle up the tree.

Pip and her dog, Kip, arrive on time. Kip bounces over to Tab. Kip wants to play. Tab hisses and arches her back. "Poor Kip. Tab, please be nice. Kip is only trying to be friendly," said Pat.

Next, Ted and his pet frog arrive. Ted keeps his frog up high on his shoulder. Then, Sam and her poodle arrive. Sam keeps the poodle on a leash. The poodle looks perfect. Finally, Sid and his pet hamster arrive. The hamster snuggles into Sid's arms and looks like an angel.

"I think these are the cutest pets I have ever seen," said Pat. Tab rolls her eyes behind Pat's back. "Tab, let's take the pets outside into the garden so everyone can play," she said.
