This book follows the Beanstalk Books (Letters & Sounds) Phase 3 progression and focuses on learning the next 25 graphemes that are taught in this sequence.

Introducing the Text

Open up the discussion about the front cover image and make connections with the children's prior knowledge of this topic. Prompt discussions by using the vocabulary in the book.

What does the title of the book tell you about the front cover image?

Describe the image on the front cover.

Read the title and the name of the author to the group. Read aloud any heart words from the front inner cover.

Reading the Text

Page 2 – Explain where to begin reading, and ask the student to point to each word as you read aloud together. Sound out the letter sounds as you go, for example: deep = /d/ee/p/.

Page 3 – The photograph on this page shows an owl up in a tree. Describe the owl.

Pages 4 and 5 – In this photograph, describe what you can see in the images.

Pages 6 and 7 – Here, the reader will encounter new Phase 3 letter sounds (vowel digraphs) in words like 'high' and 'down'. Sound out the letter sounds as you go, for example: down = /d/ow/n/.

Page 8 – Describe what the photograph on the final page is showing.

Children can now read the book independently.

At the end of the book, go over the text and photographs again and discuss what is happening on each page.

Revisiting the Text

As a group, refer back to the table in the front inner cover and identify the words in the book that use the new graphemes being taught in Phase 3.

To start with, identify as many new vowel graphemes as you can in the words in the text.

For example, in the word 'row', where can you find the /ow/ featured? Can you find any other words in this book that contain /ow/? Do the words make an /ow/ or /oa/ sound?

Look at the use of punctuation in the story. Can you find the pages with a question mark in the text?
