The Smell of Spring

Spring smells like daffodils in bloom.
Spring smells good.

Blends - short vowel

Spring is when the plants and flowers bloom. Can we smell this? What do you think spring smells like?

Frogs and toads croak and breed by the ponds.

Animals come out of their winter dens. The bees start to buzz.

Spring brings the smell of flowers. Spring blossoms are sweet and soft as they float in the air.

We can smell fresh cut grass and the buds on the trees. Green buds shoot out of the soil.

The snow starts to melt as the sun comes out. We can smell the spring rain as it comes in.
