Blending for Reading - Lucky Dip

Teacher writes any 'e-e' word on the board (or piece of paper) and hides from children.

Each child picks out (or is given by teacher) a card with a word from the lesson containing 'e-e' and reads aloud, continuing until each child gets a card.

At the end the teacher reveals the hidden word, and the child that has the matching word to the teacher's secret word shouts lucky dip and wins!
